The Ministry of Foreign and European Affairs of the Slovak Republic emphasizes that the measures represent a major and important tool to limit the spread of the COVID-19 in the Slovak Republic.

In this context the Ministry of Foreign and European Affairs recommends against travelling abroad as long as the state of emergency in the territory of the Slovak Republic remains in force.

We stress that beginning on 13 March 2020 7.00 a.m. all the persons coming to Slovakia from abroad are obliged to remain in quarantine for 14 days. More information is available at the website of the Public Health Office of the Slovak Republic (www.uvzsr.sk (http://www.uvzsr.sk))

In relation to the transport restrictions, beginning on 13 March 7.00 a.m. the Ministry of Transport and Construction of the Slovak Republic imposes increased measures for international transport.

Railway Transport

International trains will not operate as of 13 March 7.00 a.m. Domestic rail passenger transport will operate according to Saturday timetables every day as of the Saturday 14 March 2020. The ZSSK (Železničná spoločnosť Slovensko, Slovak Passenger Railways Company) continues to regularly disinfect train cars. Similarly, the ŽSR (Železnice Slovenskej republiky, Railways of the Slovak Republic) disinfects the premises of the railway stations.

Bus Transport

Likewise, international bus transport is not allowed to operate from or to Slovakia as of 13 March 7.00 a.m.

Truck Transport of Goods

Freight transport is permitted for domestic as well as international routes to provide for supplying services. Truck drivers must be equipped with protective equipment.

Maritime Transport

Passenger cruise vessels are not allowed to enter a harbor in Slovakia as of 13 March 7.00 a.m. They can sail through the territory without stopping.

Air Transport

All international passenger flights from and to Slovakia will be stopped when adopted by the Government of the Slovak Republic.

Post Offices

The Slovenská pošta (Slovak Post Office) operates in a limited regime and it adapts its opening hours as appropriate. The branches are regularly disinfected.

The information will continuously be updated.
